Developmental Guidance and Counseling Program

Counselor: Jossie Quintana, CSC, LPC

E-mail: jquintan@ccisd.net Phone: 281-284-4700

Welcome to the 2016-2017 school year!

I am Jossie Quintana, the school counselor at Stewart Elementary. It is so exciting to come back to a new school year! My mission as a counselor is to help all students reach their full potential personally and academically. As part of the program, I will offer classroom guidance lessons (for example: bullying prevention, friendships, conflict resolution, career education), individual counseling according to student's needs, group counseling, consultation with parents and teachers, and opportunities for parent education.

I am looking forward to working with you and your student during this new school year!

A child may see the school counselor for...

- Changes in family
- Friendship concerns
- Academic concerns
- Death in a family
- Problem solving
- Happy occasions
- Family concerns
- Test anxiety
- Bullying

Students can see the counselor individually by referral. Referrals can come from the students, the parent, the teacher, a staff member or an administrator. Parent permission will be needed if the student is going to see the counselor individually on a regular basis or for group counseling.
